 The photograph shows the exterior of a two-story building. The ground floor is a shop named 'Praxis Sonja Linke', which has a large glass window and a glass door. A sign above the door lists services: 'Körpertherapie', 'Jugendberatung', 'Handpflege', 'Nagelpflege', 'Faszienmassage', 'Podologische Fußpflege', and 'Regelkörperpflege'. A tree stands in front of the shop, and a blue car is parked on the street to the right. The upper floor has three windows with white frames and light-colored blinds. The building is adjacent to a grey-shingled building.
